How to Fold Your Fortune Teller:

1. Cut out the fortune teller so that it is a square.
2. Fold the square in half and then fold it in half in the opposite direction.
3. Open the square back up. Turn the page over so the top is blank.
4. Fold each corner to the middle. It will create a smaller square.
5. Flip the square over again, and fold the corners to the middle again.
6. Fold the square in half. Crease it. Fold the rectangle in half. Crease well.
7. Unfold it back to the rectangle. Slide your thumbs and your fingers behind the corners and press opposite sides together.
8. You are now ready to use your fortune teller!
